

LUCERO

FOREST BROOK RESERVE

BOQUETE, PANAMA

EXPERIENCE LUXURY LIVING IN THE HIGHLANDS OF PANAMA

Forest Brook Reserve is an exclusive townhome development nestled within the private woodlands of Lucero Golf & Country Club.

THE RESIDENCES

TRANQUIL LIVING, CONNECTED TO NATURE

Lucero's Forest Brook Reserve presents townhome residences in Boquete's most exclusive gated community, Lucero Golf & Country Club.

Surrounded by lush forest and sweeping mountain views, each unit is designed for modern living with open layouts and abundant natural light.

 1-2 bedrooms

 109 m² - 140 m²
(1,173 ft² - 1,507 ft²)

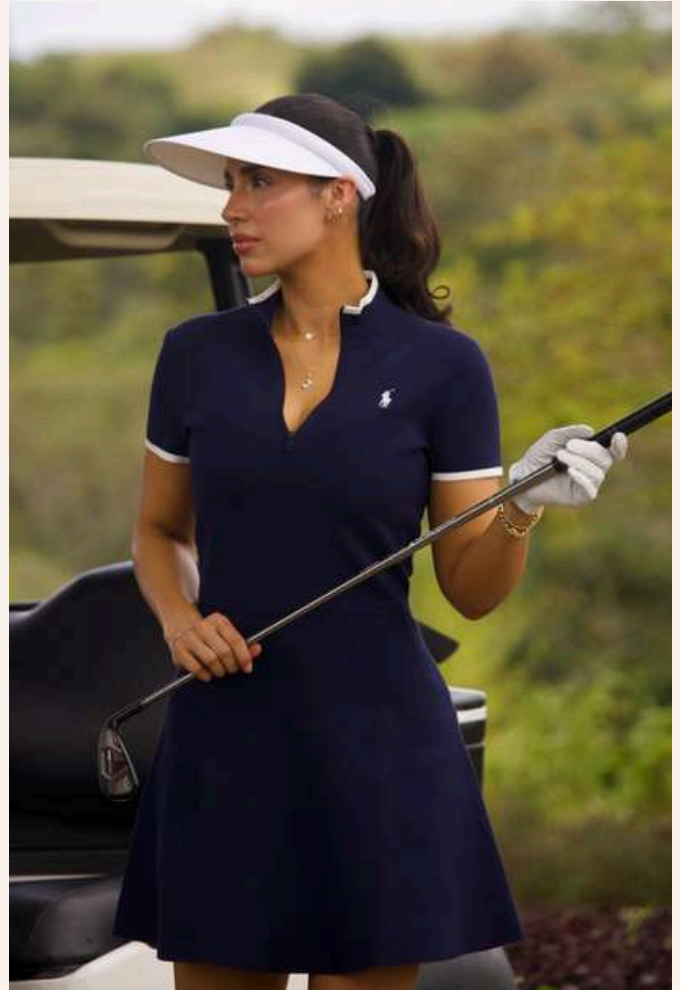

A COMMUNITY BUILT FOR LIVING WELL

Life here extends beyond your home. Amenities are designed to enrich daily living, nurture community, and make every moment feel intentional.

- Covered pool
- Covered parking
- BBQ area and outdoor dining spaces

Lucero Golf & Country Club is Panama's premier residential and leisure destination, home to a championship 18-hole course designed by J. Michael Poellot, clay tennis courts, breathtaking valley vistas, refined dining, and a vibrant international community.

A RARE COLLECTION OF RESIDENCES

This intimate enclave offers just 11 thoughtfully designed units, blending contemporary comfort with the tranquility of Boquete's natural landscape.

Each space is crafted to maximize light, flow, and connection to the surrounding forest – creating a serene, nature-forward retreat that feels both private and connected.

2 BEDROOM FLOORPLAN

1 BEDROOM FLOORPLAN

Every unit is designed with generous open layouts, abundant natural light, and seamless indoor-outdoor living – ideal for those seeking elegance, simplicity, and a closer connection to nature.

- 2 one bedroom, 1.5 bath residences ranging from 123 m² to 140 m² (1,324 – 1,507 sq. ft.)
- 9 two bedroom, 2 bath residences at 109 m² (1,173 sq. ft.)

REFINED MODERN LIVING

Every space is designed with thoughtful attention to detail and elegant contemporary finishes. Spacious kitchens, expansive windows, and open living spaces create a home that feels light, balanced, and connected to its surroundings.

SMART TECHNOLOGY & DESIGN

Each unit features Samsung Bespoke™ kitchen appliances and an integrated smart home system, combining intelligent innovation with personalized design. From cooking to climate control, lighting, and audio, every detail is crafted for seamless living and effortless comfort.
